XVIII. 2. 198.

*R*Egni perennis fulcra sacerrima  
Non in caballis agricolae amplius  
Ponuntur. Urbis iam colono  
Artifici locus est honosque.

*T*andem hausta matrum lacte superbia  
Infanda cessit. REX SAPIENS, EQUES  
SANCTUSQUE decrevit SENATUS,  
Nasci humilem macula vacare.

*A*straea in agros candida Lechicos  
Descendit. Ultra jurgia desinent.  
Solers aratrum foenerator,  
Causidicus petet acer occam.

*Gam nemo poscet non sua: judicem  
Gam nemo fallat parti agitabilis  
Utrique. Focundos quæta  
Lætifica gens numerabit annos.*

*Tutus manebis nunc Latio, advena:  
Urbes et agros intrepidus coles.  
STANSLAUS feret corroboratae  
Aurea sæcula nationi.*

*Augustus olim si superos petit;  
Regem relinquit rite superstitem;  
Majorque Saturno parente  
Munera perpetuat Polonis.*
