**FRAGMENTA FAUNISTICA**  
**An International Journal of Faunology**  
**Warszawa**

FRAGMENTA FAUNISTICA is an international journal published by the Museum and Institute of Zoology of the Polish Academy of Sciences. The journal, first published in 1930, appeared under the title FRAGMENTA FAUNISTICA Musei Zoologici Polonici until 1953. Now the journal is issued semi-annually and publishes the papers devoted to fauna, its differentiation, distribution and transformations. These are the results of original studies, review articles and syntheses dealing with faunology and related sciences such as zoogeography or zoocoenology.

By way of exchange, FRAGMENTA FAUNISTICA is distributed among over 350 institutions in 80 countries. It is covered by New Entomological Taxa (NET). It has been cited in the Zoological Record, Biological Abstracts, Biosis, Pascal Thiema and Referativnyj Zhurnal and indexed by Polish Scientific Journal Contents – AGRIC.&BIOL.SCI., available through the INTERNET at <http://psjc.icm.edu.pl/>

## INSTRUCTIONS TO AUTHORS

Only papers written in English are published in FRAGMENTA FAUNISTICA. A paper submitted to the FRAGMENTA FAUNISTICA must not have been offered, previously or simultaneously, to any other scientific magazine. Although the author bears responsibility for the merits of the paper, the editors reserve the right to suggest alterations and abridgements. When submitting a manuscript, the author(s) thereby agree to assign Copyright to this journal. Papers should be concise and linguistically correct. Contributions should be submitted in two copies, complete with the text, tables and figures. An electronic version is also required. The relevant letter from Author(s) accompanying the manuscript is required, where the author(s) address(es) for correspondence is placed, with the original and officially accepted name of institution(s), number of fax, phone or e-mail address.

Submitted papers will be accepted for publication after positive reviews have been obtained, mainly from the members of the FRAGMENTA FAUNISTICA Advisory Board. The final version of the work, after the verification made by reviewers' and editor's advice, should be submitted as a printout and on a computer disk (IBM PC-compatible format), and must conform to the requirements below.

**Title** of work should be concise and proper to its contents. **Abstract** should not be longer than 200 words. **Key words** must be in number 3 to 7. **Text** should have a standard layout (introduction, material and methods, results, summary, references). Names of genera and species must be italicised. The names of authors must be added to all species (genus) names first appearing in the text. **Tables** should be as simple as possible, printed on separate pages with captions and numbered. **Figures**, separately numbered, can be computer printouts (B&W, good quality) or made by hand in black ink on tracing paper or white cardboard, with all captions printed on a separate page. Numerical data should be attached to plots. **References** should conform to the format used in published issues of FRAGMENTA FAUNISTICA. **Summaries** of papers will be published in Polish.

Printing costs are covered by the author. Information about the cost is available from the Editorial Board. The author (first person listed) will receive 25 copies free of charge. Authors who cannot afford to pay for the publication can request a reduction or free of charge publication.

**Subscriptions and orders** should be addressed to the Museum & Institute of Zoology, PAS, Library, Wilcza 64, 00-679 Warszawa. Annual subscription (2 issues) institutional: EURO 60, personal: EURO 40. Orders paid on the account on:
