FRAGMENTA FAUNISTICA
An International Journal of Faunology
Warszawa

FRAGMENTA FAUNISTICA is a specialist journal published by the Museum and Institute of Zoology of the Polish Academy of Sciences. The journal, first published in 1930, appeared under the title *Fragmenta Faunistica Musei Zoologici Polonici* until 1953. Now the journal is issued semi-annually and publishes the papers devoted to fauna, its differentiation, distribution and transformations. These are the results of original studies, review articles and syntheses dealing with faunology and related sciences such as zoogeography or zoocoenology.

By way of exchange, **FRAGMENTA FAUNISTICA** is distributed among over 350 institutions in 80 countries. It has been cited in the Zoological Record, Biological Abstracts, Biosis, Pascal Thiema and Referativnyj Zhurnal and indexed by Polish Scientific Journal Contents – AGRIC.&BIOL.SCI., available through the INTERNET at <http://www.zatoka.icm.edu.pl/psjc/html>

Fragmenta faunistica, Supplement to Vol. 43
Progress in Studies on Myriapoda and Onychophora

Edited by J. Wytwer and S. Golovatch

Proceedings of the 11th International Congress of Myriapodology,
20-24 July 1999, Białowieża, Poland

The present volume puts on record the bulk, i.e. 33 papers by 52 authors from 19 countries, of the contributions delivered at the 11th International Congress of Myriapodology, held at Białowieża, Poland on 20–24 July 1999. This book is a milestone of recent progress achieved in research on Myriapoda and Onychophora, with the papers distributed between the following general topics:

- Evolution, Phylogeny and Comparative Morphology (9 papers)
- Anatomy, Biology and Physiology (10)
- Taxonomy and Collections (4)
- Geography, Faunistics and Ecology (10)

The book contains 14 introductory and 396 main text pages, 52 tables, 273 figures or graphs, and 2 indices.

Supplement to Vol. 43 is available through the Library of the Museum and Institute of Zoology, Polish Academy of Sciences, Wilcza 64, 00-679 Warszawa, Poland. Orders can also be directed through Dr. Jolanta Wytwer: <jolawyt@robal.miiz.waw.pl>. One copy costs PLN 200 (Polish zloty), equal to about USD 50 or DEM 100. Postage and handling charges are billed separately, the amount depending on the way of mailing, i.e. by air, surface rate or UPS.

When ordering please specify the number of copies and the way of shipment. The corresponding invoice will be enclosed together with the shipment.

INSTRUCTIONS TO AUTHORS

Only papers written in English (preferred language), German or French are published in FRAGMENTA FAUNISTICA. A paper submitted to the FRAGMENTA FAUNISTICA must not have been offered, previously or simultaneously to any other scientific magazine. Although the author bears responsibility for the merits of the paper, the editors reserve the right to suggest alterations and abridgements. Papers should be concise and linguistically correct. Contributions should be submitted in two copies, complete with the text, tables and figures. The relevant letter from Author(s) accompanying the manuscript is required, where the author(s) address(es) for correspondence is placed, with the original and officially accepted name of institution(s), number of fax, phone or e-mail address .

Submitted papers will be accepted for publication after positive reviews have been obtained, mainly from the members of the Fragmenta faunistica Advisory Board. The final version of the work, after the verification made by reviewers' and editor's advice, should be submitted as a printout and on a computer disk (MS-DOS/Windows), and must conform to the requirements below.

Title of work should be concise and proper to its contents. **Abstract** shouldn't be longer than 200 words. **Key words** must be in number 3 to 7. **Text** should have a standard layout (introduction, material and methods, results, summary, references). All Latin names must be italicised. The names of authors must be added to all species (genus) names first appearing in the text. **Tables** should be as simple as possible, printed on separate pages with captions and numbered with Roman numerals. **Figures**, identified with Arabic numerals, can be computer printouts (B&W, good quality) or made by hand in black ink on tracing paper or white cardboard, with all captions printed on a separate page. Numerical data should be attached to plots. **References** should conform to the format used in published issues of FRAGMENTA FAUNISTICA. **Summaries** of papers will be published in Polish.

Printing costs are covered by the author. Information about the cost is available from the Editorial Board. The author (first person listed) will receive 25 copies free of charge.

Subscriptions and orders should be addressed to the Museum & Institute of Zoology, PAS, Library, Wilcza 64, 00-679 Warszawa. Annual subscription (2 issues): 60 USD. Orders paid on the account on the Museum & Institute of Zoology at:
