FRAGMENTA FAUNISTICA
An International Journal of Faunology
Warsaw

FRAGMENTA FAUNISTICA is a specialist journal published by the Museum and Institute of Zoology of the Polish Academy of Sciences. The journal, first published in 1930, appeared under the title *Fragmenta Faunistica Musei Zoologici Polonici* until 1953. Now the journal is issued as a semi-annual and publishes the papers devoted to knowing fauna, its differentiation, distribution and transformation. These are the results of original studies, review articles and syntheses dealing with faunology and related sciences as zoogeography or zoocenology. By way of exchange, **FRAGMENTA FAUNISTICA** is sent to over 350 institutions in 80 countries. It has been cited in the Zoological Record, Biological Abstracts, Biosis, Pascal Thiem and Referativnyj Zhurnal and indexed by Polish Scientific Journal Contents – AGRIC.&BIOL.SCI. available through INTERNET under WWW address: <http://saturn.ci.uw.edu.pl/psj>

INSTRUCTIONS TO AUTHORS

Only papers written only in English (preferred language), German or French are published in FRAGMENTA FAUNISTICA. A paper submitted to the FRAGMENTA FAUNISTICA must not have been offered, previously or simultaneously to any other scientific magazine. Although the author bears responsibility for the merits of the paper, the editors reserve the right to suggest alterations and abridgements. Papers should be concise and linguistically correct. Contributions should be submitted in two copies, complete with the text, tables and figures. The relevant letter from Author(s) accompanying the manuscript is required, where the author(s) address(es) for correspondence is placed, with the original and officially accepted name of institution(s), number of fax, phone or e-mail address.

Submitted papers will be accepted for publication after positive reviews have been obtained, mainly from the members of the Fragmenta faunistica Advisory Board. The final version of the work, after the verification made by reviewers' and editor's advice, should be submitted as a printout and on a computer disk (MS-DOS/Windows), and must conform to the requirements below.

Title of work should be concise and proper to its contents. **Abstract** shouldn't be longer than 200 words. **Key words** must be in number 3 to 7. **Text** should have a standard layout (introduction, material and methods, results, summary, references). All Latin names must be italicised. The names of authors must be added to all species (genus) names first appearing in the text. **Tables** should be as simple as possible, printed on separate pages with captions and numbered with Roman numerals. **Figures** identified with Arabic numerals, can be computer printouts (B&W, good quality) or made by hand in black ink on tracing paper or white cardboard, with all captions printed on a separate page. Numerical data should be attached to plots. **References** should conform to the format used in published issues of FRAGMENTA FAUNISTICA.

Printing costs are covered by the author. Information about the cost is available from the Editorial Board. The author (first person listed) will receive 25 copies free of charge.

Subscriptions and orders should be adressed to the Museum & Institute of Zoology, PAS, Library. Wilcza 64, 00-679 Warszawa. Annual subscription (2 issues): 60 USD. Orders paid on the account on the Museum & Institute of Zoology at:
